

The Shop Mechanic supports RLC Park Services and RLC Landscaping Inc. with automotive, equipment and small engine repair. We are looking for a mature, mechanically experienced individual to perform maintenance on fleet vehicles and equipment.

The position will be full-time mainly in the shop, but with flexibility to travel to other parts of Vancouver Island/Sunshine Coast occasionally to support our field staff with repairs or transport vehicles, tools to and from the shop. This position works directly for the Owner and under the supervision of our Operations Management. This position is well suited for a semi/retired individual looking for a full-time job and flexibility with reduced hours in the winter months.

Our park operations on Vancouver Island extend from the Juan de Fuca Trail to the Sunshine Coast. We manage provincial parks and regional parks under contract and have done so successfully for close to 35 years. Our landscaping business is mainly situated in Greater Victoria

Type: Permanent, full-time

Days/Hours of Work: Monday to Friday, 8:30 am to 5:00 pm with possible work evenings and weekends on occasion.

Wage: Range between \$28-30 to start

Location: Victoria BC

Duties and Responsibilities

- Work closely with the Owner and Landscaping and Park Operations Managers to manage vehicles, equipment and trailer repair/maintenance
- Maintain fleet vehicles and equipment service records; warranties
- Travel to various parks/sites on Vancouver Island and Sunshine Coast to repair/pick up vehicles/equipment
- Regular vehicle maintenance and troubleshooting - including tire rotation, oil changes, brakes, air filters
- Small engine repair and maintenance - weed eaters, blowers, lawn mowers, power washers, etc.
- Work closely with Owner to maintain collection of older collector vehicles

Skills and Qualifications

- Experience mechanically maintaining vehicles/equipment
- Small equipment knowledge/experience - engine repair and maintenance
- Ability to take direction and complete tasks with minimal supervision
- Ability to act professionally in a busy environment and handle confidential information appropriately
- Flexibility to changing priorities and ability to adapt quickly
- Excellent time management skills - be punctual and meet deadlines
- Detail orientated; self-starter and a collaborative team player
- Class 5 Driver's License
- Clean driver's abstract
- Heavy trailer endorsement

What we offer
